Other fund raisers were discussed – Peggy Warren was looking into on line silent auctions indicating that this is becoming a popular fund raiser. Further information to come. Norm Amundson is still researching the game "Chasing the Ace"

Thank you letters are to go to Paul Brent for all his service to the Rec Centre while serving as a director and for continuing to liaise with the Geothermal repair company. Letter also to go to Fiona Macrauld for the use of her full-length mirror for workouts on the stage.
